

2022

September finds us celebrating the 30th Anniversary of TASCA!!! Hard to believe we have been around that long!! So exciting to celebrate our Anniversary – and finally the weather is cooling off some!

The celebration starts with the Potluck lunch on Tuesday, Sept. 13. So make or buy something and come enjoy lunch with your fellow members at 11 a.m. on that day.

On Thursday, September 15, Henry Bell, Tyler Area Chamber of Commerce president, will speak at 11 a.m. to make a Presentation on Smith County History with a little TASCA history thrown in! Henry will talk and then there will be a question and answer session. Lunch is provided so please sign up in the Lobby by Tuesday, Sept. 13.

Following Henry's talk – there will be a Chamber Of Commerce Ribbon Cutting to celebrate our 30th Anniversary.

The following week on Sept. 23 we are having a special event supported by Local businesses who are purchasing table Sponsorships to celebrate community service in Smith County. Several local dignitaries will attend and there will be a special presentation for our U.S. congressman Louie Gohmert who is retiring.

On Thursday, September 29, at 11 a.m. – there will be a Lunch and Learn presented by the Area Council on Aging. They are funded by federal/state/local tax dollars and their services are FREE. You will be amazed at the services. They offer things like the GO BUS, help with picking Medicare and drug plans in the fall, exercise classes, other classes on topics like diabetes, etc. Please sign up in the lobby for this exciting new contact we have made to assist our members.

And then more good news for those of you who like to dance – we are adding a country/western dance on the first Friday of the month starting Oct. 7!! Details are the same as the current dance which continues on the third Saturday of the month. This new event will feature the Six Miles to Mixon Band. So make your plans now to enjoy this New dance activity beginning Oct. 7.

TASCA is proud to continue our tradition of serving the seniors of Smith County for 30 years!!! Please take advantage of all these outstanding activities that are offered to members, plus more outlined in this newsletter on the calendar!
