

# NOVEMBER

# 2022

The holidays are just around the corner — everyone is probably already planning Thanksgiving Dinner and there are even some Christmas decorations going up amazingly. This is also a time when many people conclude the year with donations to charities, and now anyone is able to go online and make donations to TASCA using their credit card!

You can make donations in memory or honor of someone — or for any other reason you outline on our donation form, just go to the DONATE button on the website and fill in the form!

We have several members who are now contributing monthly using this new credit card option to support the TASCA organization — which is a 501c3 non-profit organization. You can also pay your membership dues and rental payments now at [tascacenter@org](mailto:tascacenter@org).

Another great way to support TASCA is to sign up on Amazon Smile for TASCA to be the charity to receive the small donation made by Amazon with each purchase, just go to the website and type Amazon Smile in the search bar; then click on the Amazon Smile banner, follow the instructions to set up your supported charity — which will be Tyler Area Senior Citizens Association, then start shopping as usual, its so easy!

Talk to your family, friends and neighbors about these easy steps to start earning donation money from Amazon!! These steps are also outlined for you on our website.

Thank you as always for your continued support of TASCA, we hope you are having a fun fall enjoying the cooler weather and lots of football games! Happy Turkey Day!!

~Patti
