November 2024

GOOD news TASCA members – our partnership with Whitehouse Baptist Fellowship Church is going forward --- both TASCA members and church Congregation members have approved the basic Plan – lots of details to still be worked out but that is in process and a local lawyer is now involved to draw up a contract between the two entities. At this point we are still aiming for a start date of January 1st, 2025.

On a different note – **our last bingo of the year** will be held on Monday, November 18. We will open the doors at 5 pm for a 6 pm start. Purchases from the Snack Shack and the Barbecue Truck will be available.

Unfortunately we have learned that Texas has changed its laws regarding Bingo. They are requiring us to be licensed and report considerable financial information to the state. The new laws seem to be written more for bingo parlors and similar businesses and don't seem to take non profits like ours into account.

We will award the Progressive Pot on November 18th, so don't miss out – No Bingo in December and we don't know about it for 2025 – this Pot is more than 700 dollars, half of which goes to the winning person and half as a donation to TASCA!!!

Other activates continue as planned like the Country and Western Dances, the Potluck and The Lunch and Learn – also the watercolor Class continues on the 2nd Thursday of the month.
